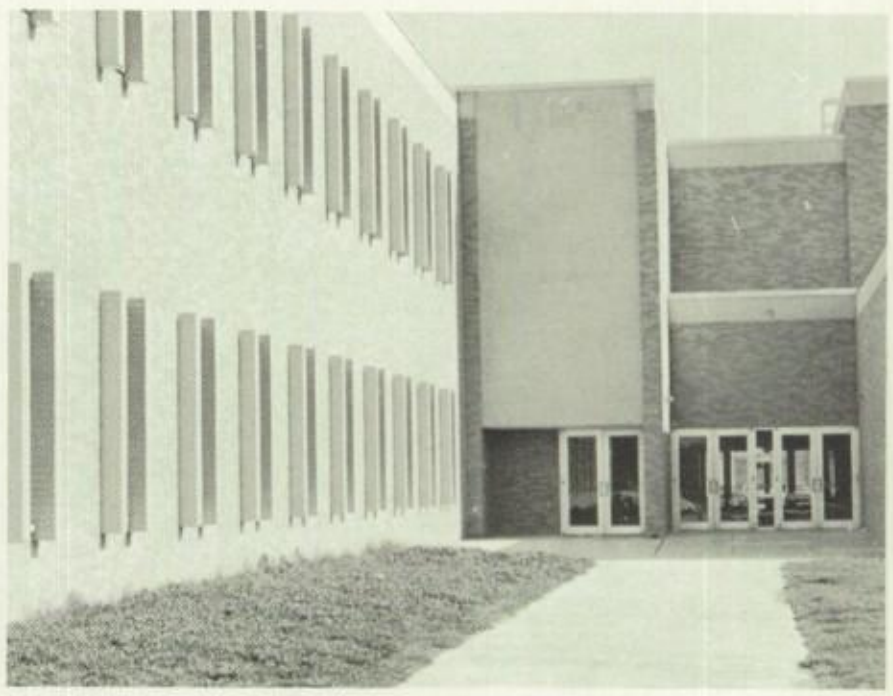
THE LEAVES
1977

Neshaminy Maple Point High School
Langhorne, Pennsylvania



THE LEAVES

There are many problems and expectations in developing the title of a yearbook in a new high school. After much evaluation and thought of the many suggestions, we have chosen *The Leaves* as a title. We feel this meets the goals we have set for our school, ourselves, and our future.

Like the individual leaves of a plant, we are growing extensions. Although independent, we rely on each other and the stem for growth and support.

JUNIORS
CLASS OF 1978

JUNIOR CLASS COUNCIL OFFICERS
Mary Ellen Hatch, Marina Demes, Sue Kerry, Becky Spencer, Annette Midlick, Dawn Shardlow.

From Neshaminy Junior High School and Carl Sandburg Junior High School came the class of "78". With a very successful trip in our Freshman year to New York and Longwood Gardens, we looked forward to a great social life here at Maple Point. As Sophomores we played at Hershey Park, and in the spring hosted a very successful class picnic at nearby Core Creek Park.

But 1977 has been our most enjoyable year. January brought lots of snow as we traveled to the Catskill Mountains. There, at the Rocking Horse Ranch, we skiied, snowmobiled, skated and danced for two days of winter fun. Then on June 3rd, we gathered at our Junior Prom to the music of "Pop-Eye".

Now we are seniors, and as the graduating class are looking ahead to a great year as the class of 1978.

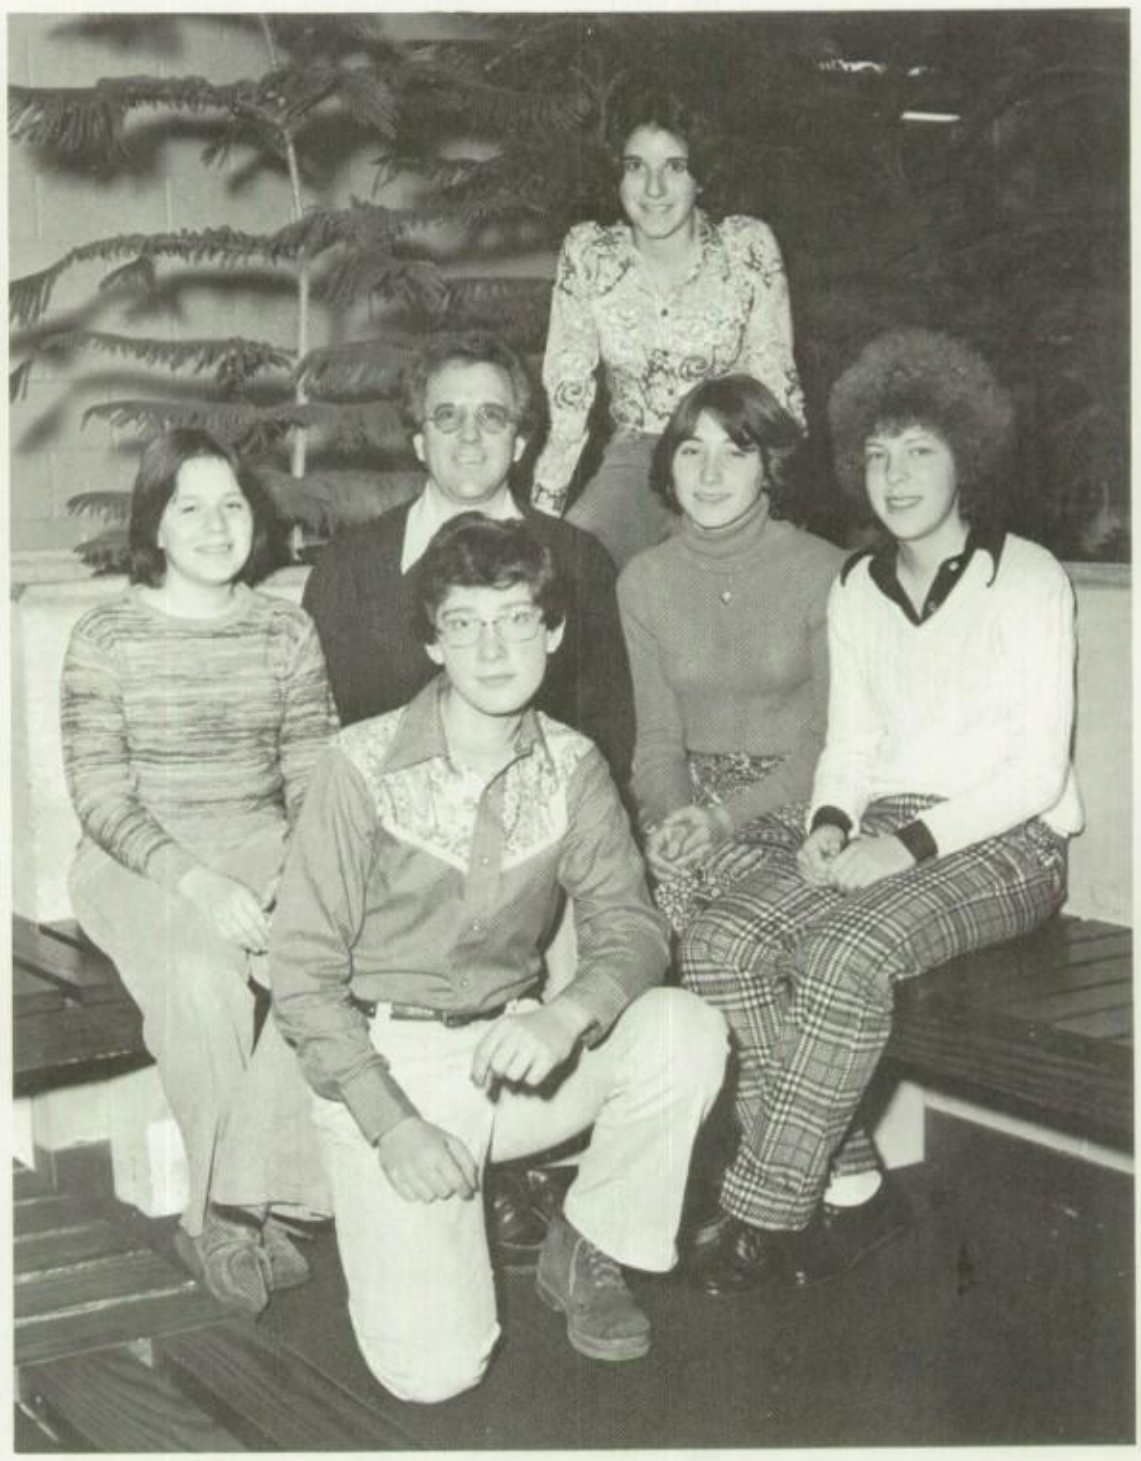
CLASS OF 1979



SOPHOMORE CLASS COUNCIL OFFICERS Karen Kessler, Harlow Russell, Donna Rudy, Leslie Goehl, Melanie De Matto, Mr. Nedal Advisor.

We, the class of 1979, are proud that we will be the first students to graduate Neshaminy Maple Point after attending four full years. We hope that as the four years go by our class will make trends and establish traditions for others to follow. Our high school has been alive for only two years, and yet we know Sophomores have helped and even led in building a great foundation on which to stand. We look forward to a great future and hope to further the good spirit and reputation that being a "Cougar" brings.

CONCERT CHOIR

The first Neshaminy Maple Point Concert Choir, under the direction of Mr. Harry Dengler Jr., has achieved much more recognition than anyone ever dreamed. They had the honor of being selected to sing for the king of Sweden. They were asked to sing in the Presidential Park and the National Visitors Center in Washington, D.C.. They were the only choir from Pennsylvania to sing at the President's Pageant of Peace. During the school year the choir had the honor of hosting the Junior Singers OYTEN from Germany. In the Spring they accepted an invitation by the Bermuda Government to sing and vacation at historic and scenic locations on the island.

Neshaminy Maple Point's student union officers for the 1976-77 year were Mike Brennan, president, Dan Dyjak, vice president, Becky Spencer, secretary, Linda Cowan, treasurer. Students on the council can work on any one of several committees. The Social and Spirit committees were responsible for the successful bon fires, dances, movies and other social activities. The Student Exchange and Information committees sponsored students visiting schools and a very exciting congressional debate by local politicians. The student union as a group showed their united effort in taking second place at the Homecoming Float parade.

Without a stage crew, there would be no play. When the curtains go up the first thing the audience sees is the result of the hard work and dedication of our stage crew. They spend many hours building the sets for each scene. Their hammering, sawing, and painting result in the fantastic musicals and plays by which Maple Point is credited.

RIFLE TEAM

Jerry Piasaci, Pat Cannon, Bruce Hendrickson, Doris Bower, Bruce Condon, Mr. Martinson, Gary Pinola, Laurie Sclorez, Mike Bennet, Tim McDade.

This is the first year for the Cougar rifle team. The team has spent the year practicing and learning the techniques of operating a rifle range. Next year they will enter competition and hope their practice pays off in victories.

SCHOOL MUSICAL

THE

The musical production of "The King and I", based on the novel, "Anna and the King of Siam", tried to generate the complicated and genuine fascination of a man and a woman. The King, played by Scott Secrest and Arthur Hochman, portrayed the stern and chauvinistic view of the period. Becky Spencer and Michelle Nathan enacted the role of Anna Leonowen, an English governess sent to Siam to spread western culture to the Siamese empire. Cast in the supporting roles and aiding in the production were not only our own Maple Point students, but also elementary children ranging from ages five to ten. Their time and effort proved worthwhile as the production was both entertaining and successful.

The school store has grown into a major business venture for the hard working business students at Maple Point. Students in the accounting II class learn to stock and sell merchandise ranging from pens and paper to creative T-shirts and artistic posters. Supervised by Mrs. Gloria Reidy, the students exercise their business talents on a weekly basis. It is not uncommon for a student to include in his schedule a daily trip to the Cougar's Den.

ANNOUNCEMENTS

What makes our day brighter? ... The announcers, senior Cheryl Gearhart, and underclassmen, Vincent Shatto and Stuart Nagurka. These people have the responsibility of informing the students of the day's activities and carrying out the morning exercises.

LIBRARY AIDES

Don Rubel, Denise Britton, Lynn Goldstein, Debbie Spillane, Barb Butler, Angel Seiler, Connie Gallop, Michelle Vote, Nan Sasak, Miriam Davis, Mary Leonard, Sharon Norton, Sue Lisowski.

Library Aides are students who volunteer their time to work in the library. They perform the various tasks of shelving and issuing books, distributing magazines and managing the audio-visual equipment. They are guided in their tasks by Mr. Williams, Mrs. Stavseth, and Mrs. Weygandt.

SKI CLUB

The Ski Club meets the needs for those students interested in a major recreational sport. Working close with each other, it is possible for a freshman who has never skiied to become an advanced skier by the time he graduates. The club journeys once a week to nearby Spring Mt. where downhill skills are practiced and techniques are polished. The true test comes when the club travels to Vermont and challenges the harder slopes and trails. These trips are held in the cold months of 0-50 temperatures when most are satisfied to be indoors, safe and warm.

WOMEN'S SOFTBALL

Lower Bucks County Champions

For the second consecutive year, our girl's softball team captured the Lower Bucks County League Softball Championship. Under the direction of Mrs. Margie Tignor, the girls finished with a 10 win and 2 loss record. Some of outstanding statistics for the year were senior Judy Rienhold finishing her high school career with a 13 win 1 loss pitching record and achieving 15 strike outs in one game. Another senior who made a school record was Kimi Adams with 7 stolen bases for the year. Two sophomores who were outstanding were Bobbiann Burgess with 3 home runs, and Sharon Martin, who had the highest batting average, .500, and also went 5 for 5 in the game against Bensalem. A few of our girls were recognized as outstanding players and were named to the all Lower Bucks softball team. These girls were Judy Rienhold, making the first team, and Judy Langton, Lita, Kent, and Kimi Adams, making the second team.

Although for the past two years the team has had the same girls, next year presents just as promising an outlook with many strong players remaining. With five seniors leaving, Judy Langton, Jodi Goldberg, Maureen Heltzel, Judy Rienhold, and Kimi Adams, our team will certainly feel a loss but will be just as strong because of many experienced underclassmen coming up.

Sharon Vuletich, Judy Langton, Maureen Heltzel, Sue Files (manager), Lita Kent, Judy Danka, Coach Tignor, Bobbiann Burgess, Ruth Theobald, Karen Kohler, Kimi Adams, Judy Rienhold, Sharon Martin, Connie Hays, Sandy Clopton, Donna Mc Intyre.

Our lower teams were well trained and some of the girls are now ready to serve Neshaminy Maple Point as varsity players.

SCHOOL PLAY —*DAMN YANKEES*

The play Damn Yankees, was this year's senior play. It was put on by the Maple Point Players in March of 1977. The play is about a middle aged man who is a Washington Senators baseball fan. He wants them to beat the Yankees to the point that he would sell his soul so Washington could win the pennant. He gets that opportunity when he is transformed into a younger, more vigorous man by a messenger from below. He must leave his wife, and then begin the conflict of whether he should remain a young baseball hero, Joe Hardy, or return to his wife as Joe Boyd. When he seems to head in the direction of returning to his wife, a "sexy babe", Lola, tries to tempt him to continue as a baseball player. In the end, he wins the pennant for the Washington Senators, and is transformed back to Joe Boyd.

Some of the seniors that contributed to this play, were actors and actresses: Mike Cannon, Tori Gennaria, Wayde Weston, Scott Secrest, Tina Testin and Sarah Gerber, just to mention a few.

Some of the favorite songs from the play, were "You Gotta Have Heart" and "Whatever Lola Wants"

SENIOR TRIP

On February 18, one hundred seniors landed in Orlando, Florida for a four day action packed senior trip. The first day was spent on a beach in Clearwater. Hastily, everyone changed into their bathing suits and discovered that the Florida water was freezing. Some brave souls splashed around but most seniors were content to lie in the sun and be able to bring home a tan, or in some cases a burn. The trip also included a memorable day at Disney World hosted by Mickey Mouse and his friends at the Magic Kingdom. The following day revolved around a visit to Sea World where they viewed the performances of dolphins and killer whales. Other memories included the breakfast at the World Inn Hotel, a Luau at Disney World, a chicken dinner at The Kopak Tree Inn and a disco dance. Nobody really wanted to leave all the fun and the sun behind. However, the idea of finally getting some much needed sleep did have an appeal to the tired but extremely contented seniors.

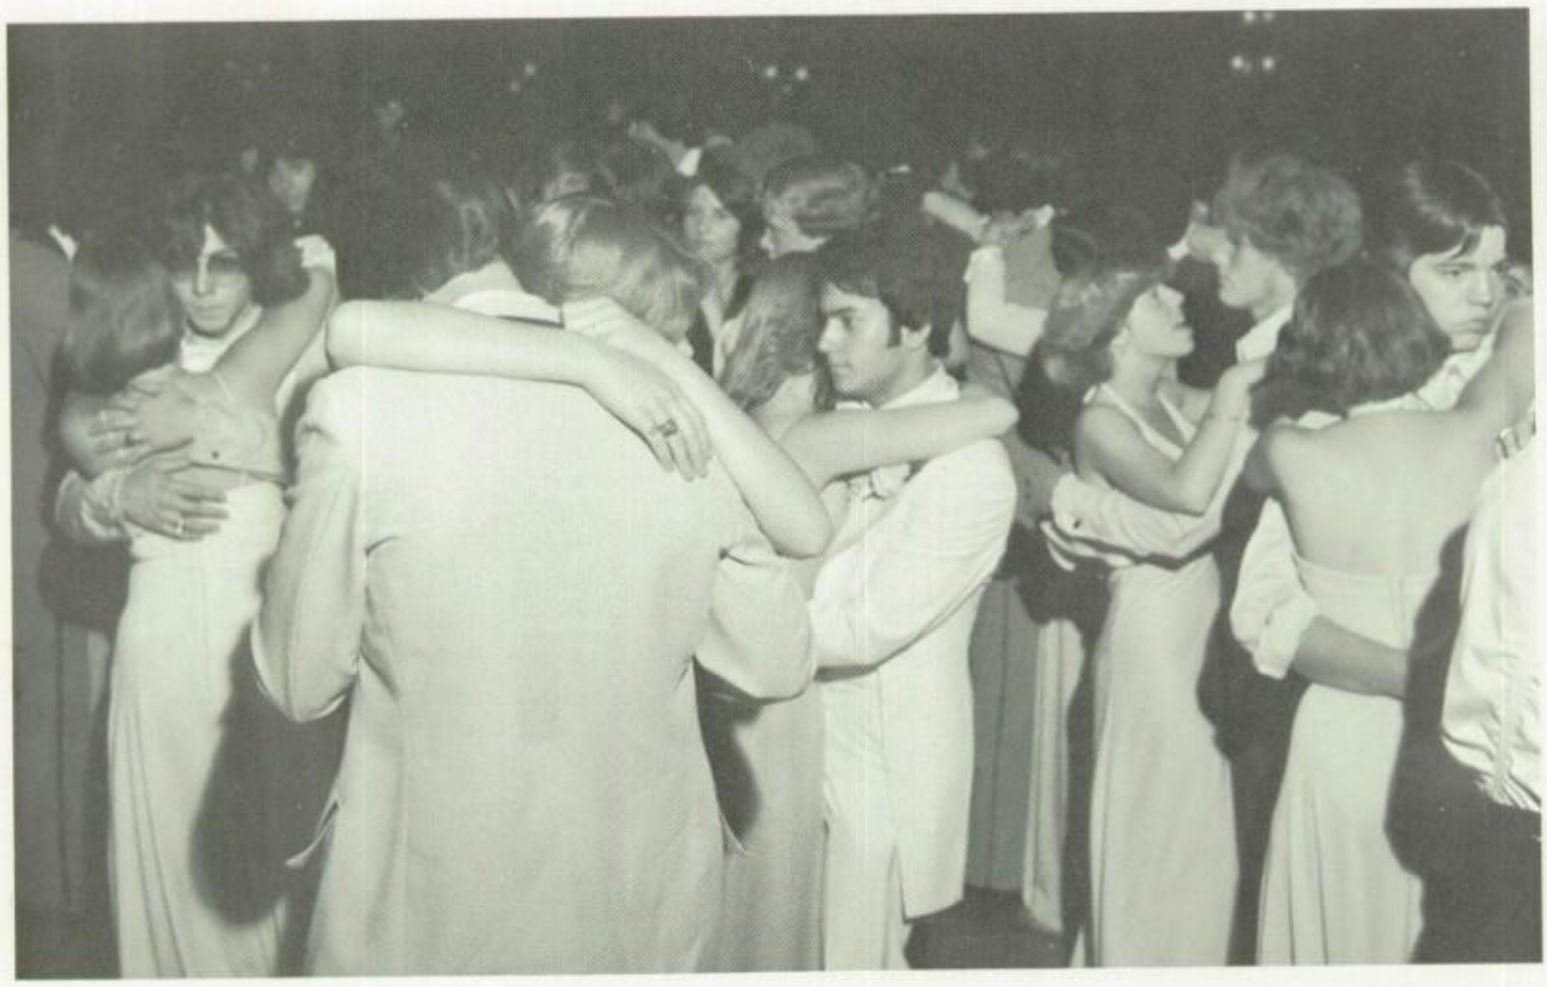
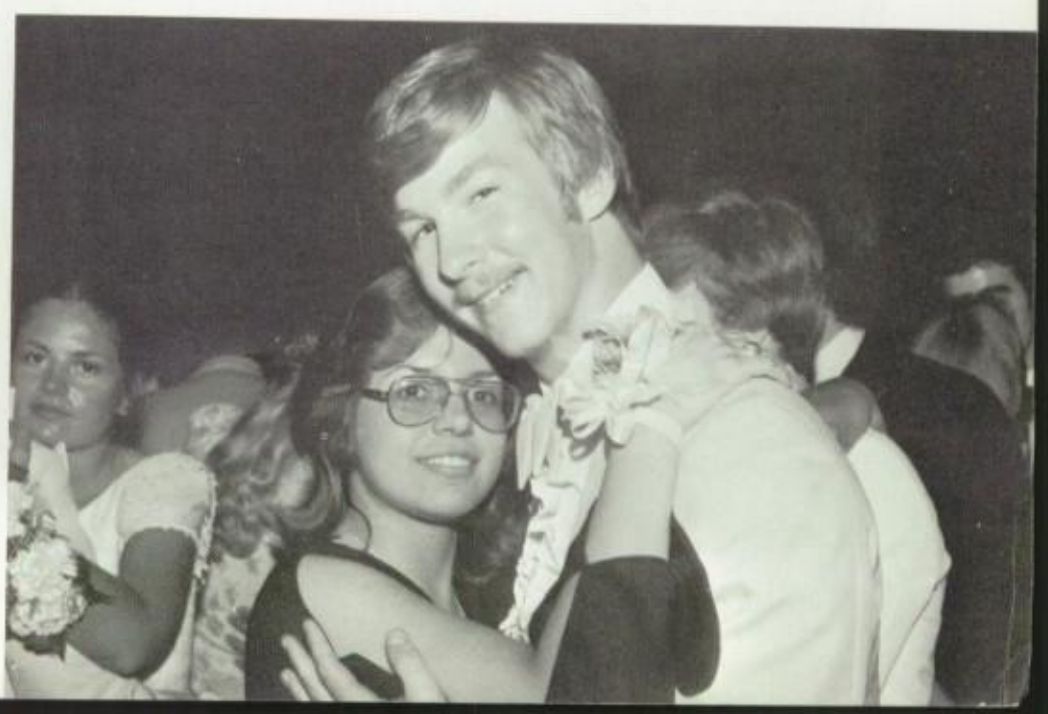
SENIOR PROM . . . A TIME FOR US

A Time For Us . . . words which will be remembered as the theme of Neshaminy Maple Point's first Senior Prom. On Friday, May 6, 1977, members of the Senior class and honored guests attended the Marriott Hotel to join in with the festivities of dining in the Brandywine Room.

Following the prayer given by Sue Westphal, Senior class president, a delicious dinner consisting of broiled chicken half as the main course and a dessert of bombe glace with chocolate sauce was served.

The honored guests were Dr. Ferderbar, Superintendent of Schools, Mr. Evans, Mr. Franks, Mr. Mondeaux, Mr. Marotto, Mr. Glaeser, Senior class advisor, Mrs. Cunningham, Mr. Fario, and Mr. Nedal. While dining, music was provided by Scott Gurney, on piano. Dancing music untill 2 o'clock a.m. was furnished by the group Valentine.





JUNIOR TRIP

The Junior Class of 1978 arrived at Rocking Horse Ranch in Highlands, New York on January 23 for a fun filled weekend in the snow. While many were enjoying themselves on the slopes, others took to the stables for a brisk ride in the cool mountain air. Those with a little more daring hopped on the snowmobiles to zip through the mountainside. However, for those who preferred a warmer climate, there was a heated pool where they could soothe their frostbitten toes. After a long day in the great outdoors, the Junior Class danced the night away to the tunes of "The Hustle" and "Disco Duck." On the day of departure everyone woefully packed away their skis and bid a last farewell to the snowy slopes. Many thanks to class advisor, Mr. Fario, Mr. and Mrs. Nedal, Mrs. Feinstermacher, Mrs. Barbagallo, Mr. Franks, and Mr. George Garnarius.

JUNIOR PROM 1977

On the Friday evening of June 3, 1977 the Neshaminy Maple Point class of '78 held their Junior Prom at the Hilton Inn. Students showed their creativity by designing an original cover page for the programs, hand picking fresh daisy center pieces to set off the tables and fabricating an artistic twilight backdrop behind the band that added the final perfection for the evening. Young ladies and gentlemen in formal attire all received couple pictures and thoroughly enjoyed the delicious dinner of London Broil and the Ice Cream Cake Roll for dessert. The night was kept lively by the featured artists, POP-EYE and the dinner music selections of Tony Beccone. The honored guests of the administration and faculty included: Mr. and Mrs. Richard Evans, Mr. and Mrs. Harry Franks, Mr. and Mrs. Edward Mondezux, Mr. and Mrs. Helmut Glaeser, Mr. and Mrs. Angelo Fario, Mr. and Mrs. Scott Nedal, Mr. and Mrs. Andrew Cunningham, Mr. and Mrs. Conrad Mock, and Mr. and Mrs. William Stinger. To top the evening a delicious bakery cake was make by the class President, Mary Ellen Hatch. Under the special direction from Mr. Angelo Fario, class advisor, and with the assistance from an active Prom Committee, the evening occasion proved more than a success

Surely many students will recall their Junior Prom and look back upon that last slow dance of the evening, the shore the following day, and keep in mind a thought that comes to mind;

Each dawn of a new day,
Brings us back to
THE LONG AND WINDING ROAD.
